

NORTH DEVON OPEN STUDIOS **2016**

10 TO 25 SEPTEMBER

NDArtTrek

Artists & makers welcome visitors from all over the world

North Devon is a very popular holiday destination with visitors, famed for its beauty and easy-going, friendly population. With lush open countryside, miles of winding roads and lanes and amazing rugged coastline, along with Exmoor's International Status for 'quietness and dark skies', North Devon will certainly not disappoint.

NDArt Trek Open Studios provides a platform to highlight the breadth of artistic talent across the area. Its ethos is to create a friendly and relaxed atmosphere where visitors can gain insights into the creative process and help to forge lasting relationships and open dialogue between participating artists and visitors.

September is a great time to visit the many artists and makers in their homes, studios and workspaces across the whole area, a fantastic opportunity to see artworks being created in a friendly, relaxed atmosphere and where you can chat with them about their work over a cup of tea.

NDArt Trek 2016 spans three weekends in September, Saturday 10th to Sunday 25th but many artists will be opening on various weekdays as well. Please check the individual calendar dates in their brochure entries.

Our website has much more information about all the artists taking part; a visitors page, showing a variety of places to visit and stay;

google maps for each artist's venue; a news page for your comments and information about up-coming artist events. www.ndarttrek.com

There will be no pressure put on you to buy, but of course any of the artists involved would be delighted if you did choose to purchase art directly from them, however please note that most artists will not have credit card facilities available so it's best to take a cheque book.

And finally, please enjoy your NDArt Trek experience, your comments and any ideas to improve the event would be most welcome.

The NDArt Trek team

Further event queries or comments: contact@ndarttrek.com

All locations shown on this map are approximate for planning your trip, please refer to addresses and postcodes for detailed directions.
